## ACADEMIC APPOINTMENTS

---

### Dartmouth College, Hanover, NH

Department of Geography

*Associate Professor of Geography (with tenure)*

2024-present

*Assistant Professor of Geography*

2018-2024

### Clark University, Worcester, MA

2018

Graduate School of Geography

*Visiting Assistant Professor of Urban and Economic Geography*

### University of Southern California, Los Angeles, CA

2016-2018

Sol Price Center for Social Innovation, Sol Price School of Public Policy

*Postdoctoral Scholar*

## EDUCATION

---

### University of California, Los Angeles

2016

Ph.D. in Geography (Focus on Economic Geography)

Dissertation: *Assembling Digital Economies: Geographic Information Markets and Intellectual Property Regimes in the United States and the European Union* 🌟\*

Advisors: Allen J. Scott & Eric S. Sheppard

🌟 Awarded the 2017 Best Dissertation in Economic Geography by the

American Association of Geographers Economic Geography Specialty Group

\* Selected as UCLA's single nomination for the 2016-17 Council of Graduate Schools/ProQuest

Distinguished Dissertation Award in Social Sciences

### University of California, Los Angeles

2011

M.A. in Geography

Thesis: *Uploading Hollywood: A Digital Economic Geography of Film Distribution*

Advisor: Allen J. Scott

### UNAM, National University, México

2009

B.A. Hons. in English. Concentration in Critical Theory

## FIELDS OF INTEREST

---

Economic Geography, Geospatial Data, Information and Communication Technologies, Critical GIS, Digital Economy, Digital Infrastructure, Intellectual Property, Internet Governance, Information Policy, Geopolitics, Variegated Capitalism

---

14. **Dartmouth College** March 29, 2024  
*Hanover, NH*  
“GIS & Surveillance Imagery Ethics Panel”
13. **Dartmouth College** August 2, 2024  
*Hanover, NH*  
“Algorithmic Bias Panel”
12. **University of Massachusetts, Boston** February 3, 2023  
**Sustainable Solutions Network**  
*Boston, MA (Remote)*  
“Boom & Flood: Climate- and technology-driven urban transformation in Miami Dade County”.  
Presented with Dr. Emma Colven (University of Oklahoma, Global Environment).
11. **University of California, Berkeley** April 27, 2022  
**Public Panel: Social Science Matrix Group on Digital Transformations  
in Global Land, Housing, and Property**  
*Remote*  
“Land in the Metaverse, the Digital Growth Machine, and Signaling Hinterlands”
10. **University of California, Berkeley** November 17, 2021  
**Social Science Matrix Group on Digital Transformations in  
Global Land, Housing, and Property**  
*Remote*  
“The Digital Growth Machine and its Hinterlands”
9. **University of Nevada, Reno** November 10, 2021  
**Department of Geography Colloquium**  
*Remote*  
“The Digital Growth Machine: Urban Change and the Ideology of Technology”
8. **Centre for Data Ethics and Innovation (UK)** July 30, 2021  
*London, UK (Remote)*  
“Ethical Dimensions of Autonomous Vehicles”
7. **Boston Public Library - Leventhal Map Education Center** May 20, 2021  
*Boston, USA (Remote)*  
**Angles on Bending Lines Series:**  
“Maps, Geospatial Data, and the Digital Economy”  
[https://www.youtube.com/watch?v=xx\\_zpMeiAt = 1256s](https://www.youtube.com/watch?v=xx_zpMeiAt = 1256s)
6. **UC Berkeley Geography Colloquium** December 2020  
*Berkeley, USA (Remote)*  
“Spatial reflections on the construction of an autonomous vehicle market”
5. **Intelligent Transportation Society of California (ITSCA)** October 2020  
**Young Professionals Group (YPG)**  
*Los Angeles, USA (Remote)*  
**Surveillance and the Smart City Forum:** “Autonomous Vehicles  
and the Surveillance Economy”

4. **University of Massachusetts, Amherst**  
**Department of Civil and Environmental Engineering**  
*Amherst, USA*  
**Transportation Seminar Featured Speaker:**  
 “How Cars Became Mobile Spatial Media: A Geographical Political Economy of On-Board Navigation”  
 November 2019
3. **Hofstra University Mu Kappa Geography Honors Society Induction**  
*Long Island, USA*  
**Invited Keynote Speaker:** “From Streetscapes to Navigable Landscapes: Crowdsourcing and Contesting the Spaces of Autonomous Driving”  
 May 2018
2. **Clark University Graduate School of Geography Colloquium Series**  
*Worcester, USA*  
**Invited Colloquium Speaker:** “Virtual landscapes and automated spaces: commodification and contestation in the (geospatial) digital economy”  
 March 2018
1. **Cosmopolis Centre for Urban Research**  
*Vrije Universiteit Brussel, Department of Geography, Brussels, Belgium*  
**Invited Lecture:** “Intellectual Property Regimes and the Spatial Constitution of Geographic Information Markets”  
 September 2015

## INVITED PARTICIPATION

---

6. **Digital Transformations in Global Land, Housing, and Property: A mini-workshop.**  
 Co-sponsored by UC Berkeley Department of Geography and Global Metropolitan Studies Program, and The University of Sydney School of Architecture, Design and Planning  
*Boulder, CO*  
 Participant and Facilitator  
 “Mapping the Field”  
 March 21-22, 2023
5. **The American Association of Geographers (AAG),  
 The Center for Spatial Studies at the University of California, Santa Barbara,  
 and ESRI**  
**Summit on Locational Information and the Public Interest**  
*Santa Barbara, CA/Remote*  
 June 26-29, 2022  
 “Commentary for Goal 1: A research agenda” “Discussion Group for Goal 3: A pathway that could lead to better “public” understanding of federal and state regulations”
4. **Institute of Geography, Heidelberg University, Germany**  
**19th Symposium: Knowledge and Digital Technology:  
 Spatial Relations in a Digital Age**  
*Remote*  
 May 4, 2022  
 “Assembling the geographic information market in the United States”
3. **American Association of Geographers**  
*Washington, DC, USA (Remote)*  
 February 2021  
**EthicalGeo Seminar Series: “Ethical Spatial Analytics”**  
<https://aag-geoethics-series.secure-platform.com/a/solicitations/10/sessiongallery/206>

2. **University of Guelph Department of Geography** October 2019  
*Guelph, Canada*  
**Invited Participant:** “Digital Geographies Workshop” **Discussant:** “Methods and Methodologies in Digital Geography”
1. **Oxford Internet Institute, Summer Doctoral Programme** July 2015  
*University of Oxford, Oxford, UK*  
 “What Makes a Map and Who Owns it? Property Regimes and Commodification in the Geoweb”
- Summer Institute in Economic Geography** July 2014  
*University of British Columbia & University of Frankfurt* *Frankfurt, Germany*

## CONFERENCE PARTICIPATION & ORGANIZATION

---

22. **Association of American Geographers Annual Meeting** April 16 - 20, 2024  
*Honolulu, HI*  
 Co-Organizer & Discussant (Virtual)  
 “Orbital and Off-World Geopolitics I (In-Person)”  
 “Orbital and Off-World Geopolitics II (Virtual)”  
 Co-Organizer  
 “Geography of Mobility Transition I: Policy Transition”  
 “Geography of Mobility Transition II: Industrial Transition”  
 “Geography of Mobility Transition I: Inclusive Transition”  
 Co-Author (non-presenting): “How Electric and Autonomous Vehicle Technologies are Transforming the Automobile Industry: A comparative analysis of supplier networks of Ford, Toyota, Tesla and BYD”  
 Session: “Geography of Mobility Transition II: Industrial Transition”
21. **Digital Geographic Movements and Methods Workshop** June 20-23, 2023  
*Calgary, AB*  
 Co-organizer and Panelist  
 “Connecting the past and the future”
20. **Association of American Geographers Annual Meeting** March 23 - 27, 2023  
*Denver, CO*  
 Co-Organizer  
 “Geographies of Digital Capitalism 1: Land”  
 “Geographies of Digital Capitalism 2: Labor”  
 “Geographies of Digital Capitalism 3: Property”  
 “Geographies of Digital Capitalism 4: Capital”  
 Co-Organizer & Panelist  
 “Geographies of Digital Capitalism 5: Discussion - Boom, Bust, Hype, and Scam”  
 Co-Author: “Variegated Hinterlands of the Digital Growth Machine”  
 (Presented by Jovanna Rosen, Rutgers-Camden)  
 Session: “Geographies of Digital Capitalism 1: Land”

19. **Association of American Geographers Annual Meeting** February 25 - March 5, 2022  
*NYC, USA (Remote)*  
 Panelist  
 Session: “Author meets Comrades: Data Power, Radical Geographies of Control and Resistance”  
 Panelist  
 Session: “Celebrating Helga Leitner and Eric Sheppard 3: Reflections on Mentoring, Advising, and Collaboration”  
 Discussant  
 Session: “Feeding the Digital Growth Machine 2: City of data, data of the city”  
 ★ Part of a five-session series organized around my co-authored article: Rosen, J. & **Alvarez León, L.F.** (2022). “The Digital Growth Machine: Urban Change and the Ideology of Technology”. *Annals of the Association of American Geographers*.
18. **American Geophysical Union 2021 Fall Meeting** December 15, 2021  
*New Orleans, LA (Remote)*  
 Presenter: “Perceptions, Practices, and the Political Economy of Remote Sensing”  
 Session: “Translating Critical Remote Sensing for the Geosciences: Politics, Ethics, Economics, Empowerment, and Other Important Issues”
17. **IX Jornada Académica Internacional sobre Corea, Universidad de Colima, Mexico** September 3, 2021  
*Colima, Mexico (Remote)*  
 Presenter: “South Korea’s strategies in the automobile industry: Continuity or change?”
16. **University of Siegen** May 5, 2021  
*Siegen, Germany (Remote)*  
**Geomedia 2021 Conference, Platform Automobility Panel:**  
 “Where is the Autonomous Vehicle Market?”
15. **Association of American Geographers Annual Meeting** April 2021  
*Seattle, USA (Remote)*  
 Co-organizer and discussant (with Hilary Faxon, University of California, Berkeley)  
 Session: “Towards Global Justice in Digital Geography”  
 Panelist  
 Session: “Computational Praxis for Social Justice”
14. **Association of American Geographers Annual Meeting** April 2019  
*Washington, DC, USA*  
 Co-organizer (with Jim Thatcher, University of Washington, Tacoma)  
 Session: “Digital Enclosures”  
 Presenter: “Mapping the Future Transportation Stack”  
 Session: “Political Economies of Geolocation II”  
 Co-Author: “Technology as Ideology in Urban Governance”  
 (Presented by Jovanna Rosen, University of Southern California)  
 Session: “Realizing the value of interdisciplinary research: How can critical theory be applied to smart cities?”  
 Panelist  
 Session: “Economic Geography Specialty Group Past Winners. The Future of Economic Geography”

13. **Association of American Geographers Annual Meeting** April 2018  
*New Orleans, USA*  
 Presenter: “Counter-mapping the spaces of autonomous driving”  
 Session: “Geographies of Urban Automation II: Transport and infrastructure”  
 Panelist  
 Session: “Flying High, Laying Low: Talking Methods for Financial Economies”
12. **AAG Digital Geographies Specialty Group** April 2018  
*New Orleans, USA*  
 Co-Organizer: “More than Critical, More than GIS Workshop”.  
 Organizers (alphabetically): Luis Alvarez León, Clark University;  
 Craig Dalton, Hofstra University; Rina Ghose, University of Wisconsin - Milwaukee;  
 Jack Giesecking, Trinity College; Liz Mason-Deese, George Mason University;  
 Eric Nost, University of Wisconsin - Madison;  
 Jim Thatcher, University of Washington Tacoma;  
 Clancy Wilmott, University of Manchester;  
 Matthew Wilson, University of Kentucky.
11. **Association for Public Policy Analysis & Management** November 2017  
*Chicago, USA*  
 Presenter: “Opportunity Youth: Different Location, Different Opportunity?”  
 Session: “Measuring Neighborhood Opportunity”
10. **Association of American Geographers Annual Meeting** April 2017  
*Boston, USA*  
 Presenter: “Automating Space: Artificial Intelligence, Autonomous Driving, and the New Political Economy of Mapping in the 21st Century”  
 Session: “Digital \\\Human \\\Labour 3: The Algorithmic Labour of Being”  
 Discussant  
 Session: “Information geographies: Social dimensions of Web 2.0 cartographies”
9. **Association of American Geographers Annual Meeting** April 2016  
*San Francisco, USA*  
 Presenter: “Institutional Logics of Deployment and the Paradoxes of Open Data”  
 Panelist  
 Session: “Disrupt Geo 1: new ideas from the front lines of maps, mobile, and big data”
8. **First International Conference on Anticipation** November 2015  
*Università degli Studi di Trento, Trento, Italy*  
 Presenter: “The technological singularity and the political imaginaries of automation”
7. **Fourth Global Conference on Economic Geography** August 2015  
*University of Oxford, Oxford, UK*  
 Presenter: “Intellectual Property Regimes and the Spatial Constitution of Geographic Information Markets”

### Postdoctoral Advising

2. **Dr. Meghan Kelly**

Dartmouth College, Department of Geography (2021-2022)  
Assistant Professor of Geography at Durham University (2022-2023)  
Assistant Professor of Geography at Syracuse University (2023 - present)

1. **Dr. Park Muhonda**

Dartmouth College, Department of Geography (2021-2022)  
Geography Instructor at Oregon State University (2023 - present)

### Ph.D. Committee Membership

1. **Mike Athay**

Ph.D. in Geography, Clark University (Exp. May 2025)

2. **Deibi Sibirian**

Ph.D. in Environmental Science, Policy, and Management,  
University of California, Berkeley (Exp. May 2026)

### Master's Committee Membership

2. **Brenna Robeson**

M.A. in Community Development and Planning,  
Clark University School of International Development, Community, and Environment (2019)  
“Using Critical GIS to Reimagine Food Deserts in Worcester, MA”

1. **Will Heikes**

M.S. in Geographic Information Science, Clark University, Graduate School of Geography (2018)  
“Dónde está ‘Mi Gente’? An analysis of Spanish-language music awareness using tweets in the United States”

### Undergraduate Senior Honors Theses (Advisor)

2. **Caroline Atwood**

B.A. in Geography, Dartmouth College (June 2021)  
“Mouse Vision: Place-making in Theme Parks”  
★ *Awarded High Honors*

1. **Jesus J. Franco**

B.A. in Geography, Dartmouth College (June 2020)  
“Caring communities in toxic environments”  
★ *Awarded Honors*

### Undergraduate Senior Honors Theses (Reader)

2. **Catie McCarthy**

B.A. in Geography, Dartmouth College (June 2023)  
“Critical Geopolitics and the Created Worlds of Post-9/11 Spy Film”  
★ *Awarded Honors*

## 1. Nathan Bram

B.A. in Geography, Clark University (May 2018)

“Redevelopment in Haifa: mitigating interests in a “mixed” city”

★ *Awarded Honors*

## Senior Fellowship

### 1. Kaijing Janice Chen June 2020 Dartmouth College, B.A. in Geography

Main Advisor; Co-advisor: Jeff Sharlet)

“THE GEOGRAPHY OF MILK: Mapping and Writing the Dairy Industry”

★ *Awarded High Honors; Winner of the 2020 Alexander von Humboldt Award, Dartmouth College Geography Department*

## TEACHING

---

**Dartmouth College Department of Geography, Hanover, NH**

2018 - Present

*Assistant Professor of Geography*

Designing and teaching geography courses at Undergraduate level.

### Courses taught at Dartmouth College Department of Geography:

- GEOG 4 – Introduction to Geospatial Thinking (2020 Spring, 2021 Winter, 2023 Winter)

*Instructor*

Gateway survey course that links key concepts of geographical thought (e.g., place, space, and territory) and their interconnection with a range of geospatial tools and techniques (from paper maps to global positioning systems). The students develop a geospatial literacy and a theoretical sophistication that allows them to understand spatial analysis and technologies from a holistic perspective, while bringing a technical understanding to conceptual debates in Geography and other sciences.

- GEOG 7 – Charting the Road to Self-Driving Cars (2019 Winter, 2020 Winter, 2021 Winter)

*Instructor*

First-year seminar that develops an integrative approach to examine the geography, history, development, and implications of autonomous navigation as well as automation more generally to understand their relation to broader social, political, and economic forces.

- GEOG 12.01 – Research Design (2022 Fall)

*Instructor*

This course provides students with the tools and perspectives necessary to plan and conduct independent research in Geography, as well as the ethical foundation for conducting research. The course is structured around the development of a well-crafted research proposal and works best when taken in addition to another research methods class.

- GEOG 32 – Economic Geography and Globalization (2020 Fall, 2023 Summer)

*Instructor*

This course presents an overview of the key debates, perspectives, and concepts of Economic Geography specifically aimed at understanding the processes and outcomes of Globalization. Theoretical discussions are applied empirically through the analysis of innovation and technological change in the evolution of economic systems. Through this application, students are introduced to the statistical package R specifically in the context of doing empirical research in Economic Geography.

- GEOG 58/55 – Critical Analysis in GIS (2019 Spring, 2019 Fall, 2021 Spring, 2022 Spring, 2022 Summer, 2023 Summer)

*Instructor*

Upper Division course aimed at developing a critically informed geospatial practice through the integration of seminar-style discussions with the acquisition and practice of GIS / spatial analysis / data visualization skills in the R statistical computing environment.

- GEOG 80 – Geospatial Technologies and Society (2019 Spring, 2023 Winter)

*Instructor*

This course analyzes the political, economic, social, and cultural implications of geospatial data, media, and technologies. Topics covered include self-driving cars, Google Maps, and big geospatial datasets like satellite imagery repositories. Drawing on a variety of conceptual frameworks, students will learn how to evaluate geospatial technologies not only through their technical underpinnings, but also via their space-making processes and embeddedness in our everyday lives.

### **Clark University Graduate School of Geography, Worcester, MA**

2018

*Visiting Assistant Professor of Urban-Economic Geography*

Designing and teaching geography courses at Undergraduate and Graduate levels. Department advisor to first-year students.

#### **Courses taught at Clark University Graduate School of Geography:**

- GEOG 257/357 – Internet Geographies (2018)

*Instructor*

Upper Division & Graduate course exploring the geographical dimensions, as well as the political, economic, and social impacts of the Internet.

- GEOG 286/386 – Critical GIS with R (2018)

*Instructor*

Upper Division & Graduate course integrating a Critical GIS seminar component with a lab focused on acquiring the necessary skills to use R as a Geographic Information System, in order to develop a critically informed geospatial practice.

### **University of California, Los Angeles, CA**

2010-2016

*Lecturer, full instructor, teaching fellow, teaching associate & teaching assistant*

Extensive experience teaching and designing in-person, hybrid and online courses in a wide range of subfields in Human Geography, Geographic Information Systems and Global Studies.

Team leader in the redesign of the Geographic Information Science Program at UCLA coordinated by Prof. Michael Shin towards hybrid, open source and fully online capabilities. This was a pioneering project in the University of California which allowed cross-campus enrollment and was recognized by the University of California Office of the President with the Innovative Learning Technology Initiative Grant.

#### **Courses taught at UCLA Department of Geography:**

- GEOG 184 – California Geography (2016)

*Lecturer*

Upper Division class integrating physical, political, economic, and social geographies of California.

- GEOG 7 – Introduction to Geographic Information Systems (2013-2015)

*Full Instructor (Summer 2014), Teaching Fellow (2013-2015)*

In Summer 2014 I taught the first-ever hybrid (online + in-person) and open-source GIS summer course at UCLA. I was part of the team that developed this course during 2013 led by Prof. Michael Shin.

- GEOG 3 – Cultural Geography (2014)  
*Full Instructor (Summer)*  
Developed an original course focused on the history and theory of cartography, along with the evolution of mapping technologies to illuminate the construction of key concepts in cultural and political geography.
- GEOG 167 – Cartography (2014)  
*Teaching Fellow*
- GEOG 4 – Globalization: Regional Development and the World Economy (2012, 2013)  
*Full Instructor (Summer 2013), Teaching Assistant (2012)*  
In Summer 2014 I developed an original course centered on the analysis of global trends through the close study of transnational firm networks, national and international politics and trade policies.
- GEOG 5 – People and Earth’s Ecosystems (2011, 2013)  
*Teaching Assistant (2011), Teaching Fellow (2013)*
- GEOG 2 – Biodiversity in a Changing World (2011, 2012)  
*Teaching Assistant*

**Courses taught at the UCLA Global Studies Program:**

- Global Studies 1 – Globalization (2013)  
*Full Instructor (Summer)*  
I developed this course by expanding the material produced for GEOG 4 (Globalization) to discuss in greater depth the production cycles of global capitalism, the role of the state and the increasingly salient role of non-state actors such as social movements.

**Courses taught at the UCLA Academic Advancement Program:**

- GEOG 3 – Cultural Geography (2012, 2013)  
*Teaching Fellow (Summer)*
